Strategic Growth through Laser-focused RF & Microwave Manufacturers Representatives.

Piconics, Inc. has recently partnered with two Rep Firms to grow and manage Sales in the Southwestern and Southeastern portions of the Company's National Customer base. Respectively, Blackhart Sales, Inc. and Southeastern RF & Optical, LLC add value to Piconics, Inc. Sales Network with extensive RF & mW Engineering backgrounds as well as value-added Selling strategies. These are new additions to an existing network of performance-driven Manufacturers Representatives.

Blackhart Sales, Inc. and Southeastern RF & Optical, LLC - Key Product Offerings:

1. Piconics, Inc. Micro-miniature High-quality Inductors
2. Presidio Components, Inc. High-quality Ceramic Capacitors
3. Advanced Microwave Products IPC Class III Transmitters and Receivers
4. Florida RF Labs High-reliability Coaxial Cable Assemblies
